

# Memo

Date: June 29, 2011

To: Line Officers  
District Presidents  
Past Department Presidents  
Department Chairmen.

Department Headquarters has been notified of the following:

Bill Mankey, State Ass't. Sgt-At-Arms is recovering quite well and is taking discharge classes since his heart transplant. He may be discharged to go home on Thursday if all goes well with his classes.

He wants to extend a BIG THANK YOU to all Auxiliary Sisters and friends for all of their prayers, since he is convinced the POWER OF PRAYER works in mysterious ways, along with his wonderful group of doctors who worked so diligently in bringing him through this life threatening surgery.

Ladies, you are truly great with your prayers for those who are ill and not able to be with us currently.

Thinking of You and Get Well Wishes can be sent to Bill directly at his home address of: 27 Westfield Avenue, Pittsburgh, PA 15229. We look forward to having Bill back with us again and conducting his business as an Assistant Sergeant.

Please continue to keep Bill and others in your thoughts and prayers during their recovery period.
