Please keep Louise in your thoughts and prayers during this recovery period.

Margie Reeger's Mother-in-Law fell on Saturday, April 30, 2011 and broke her neck. Margie received this information while attending the Junior Girls Conference. Margie has advised us that her mother-in-law must have constant round the clock care which Margie and her husband Lou are providing. Thinking of You cards would be appreciated by Margie and her family during this period of confinement and care they are providing. Please keep both Margie and husband Lou in your thoughts and prayers.

Rosemary Mazer, Past National President, is suffering with a bad case of shingles and is in a lot of pain.

Please send Thinking of You/Get Well Cards to Rosemary as follows:

We are sure Rosemary would appreciate hearing from her many friends in the Department of Pennsylvania.
