

# Memo

Date: December 21, 2011

To: Line Officers  
District Presidents  
Past Department Presidents  
Department Chairmen  
Floor Appointments

Department Headquarters has been notified of the following:

We have received information that Past State Commander Norman Rettig who served in 1993/94 was in the hospital before Thanksgiving and has completed rehab and is now recovering at his new home in Florida. We understand that Norm is not doing well and perhaps Thinking of You/Get Well Cards would be appropriate at this time of the year. His son comes to the house daily to help Norm with continuing his rehabilitation at home.

Norm's address is as follows:

Norman Rettig  
2429 Settlers Trail  
Orlando, Florida 32837

I am sure that Norm and Nan would be very pleased to hear from comrades and sisters in Pennsylvania. Additionally, please keep Norm and his family in your thoughts and prayers during this Holiday Season and wish for him a speedy recovery.
