

Memorandum

February 17, 2010

TO: LINE OFFICERS
DISTRICT PRESIDENTS
PAST DEPARTMENT PRESIDENTS
DEPARTMENT CHAIRMEN

Department Headquarters has been notified of the following:

Betty Henry, Past Department President 1967-1968, is currently bedridden and not able to get around. She has nursing care each morning and evening at her home. We are sure Betty would like to hear from her friends in the Ladies Auxiliary VFW.

Thinking of You Cards may be sent directly to Betty at her home address 28 Hillcrest Avenue, Strasburg, PA 17579.

Helen Kosanovich, widow of Past State Commander George Kosanovich, 1981-1982, and mother of Deborah Mock, Past District 26 Auxiliary President, is currently very ill and under Hospice care. Thinking of You Cards may be sent to Helen through her daughter Deborah Mock, 21 Spruce Street, Homer City, PA 15748, who will take the cards and read them to Helen. Again, we are sure Helen would like to hear from her friends in the Ladies Auxiliary VFW.

Please keep both of these Auxiliary Sisters in your thoughts and prayers through their periods of illness.
