Department Headquarters has been notified of the following:

This is one of the hardest ones I have had to do yet in all the years I have been employed by the Ladies Auxiliary.

Our beloved Judy Johnson, who handled the Buddy Poppies, and all the information for the Post Services, Service Officers and District Meetings, went into cardiac arrest on Friday, September 9, 2011. She was rushed to the hospital, but God decided he needed Judy to help with all those who have passed before her. Judy went to rest today, September 12, 2011, and we know that she will be looking down on us making sure that what she had handled will be taken care of correctly.

Judy is survived by husband Jim, and two sons Jimmy and John.

Funeral Services will be held Thursday, September 15, 2011 from Neumyer Funeral Home, 1334 N. Second Street, Harrisburg, PA 17102. Viewing will be from 10:00 o'clock, a.m. to 11:00 o'clock, a.m. with funeral services to follow at 11:00 o'clock. Interment will be in Woodlawn Cemetery.

Expressions of Sympathy may be sent to her family as follows:

James Johnson & Family  
1116 Vista View Lane

Please keep Jim and his family in your thoughts and prayers during this period of bereavement.
